

ORGANIC CleanGreen®
MIN-TEC

Pure * Natural * Effective

MIN-TEC is physically processed sea water, containing naturally occurring minerals. MIN-TEC can be beneficial to all types of plants including trees, vines, small grains, grasses, vegetables, legumes, root crops, etc.

General Use Directions:

Starter: Apply 8 ounces per acre in the row on the seed with a buffer such as Humic Acid. Foliar apply or top-dress 1-4 quarts per acre per application. Can be applied with water or other U.S. Ag solutions.

When mixing with other solutions, "ALWAYS" mix MIN-TEC into the tank mix first!

For more specific crop instructions; contact U.S. Ag, LLC.

Note: MIN-TEC is not compatible with all synthetic NPK solutions. Always jar test before using.

Caution: Keep out of reach of children. May be harmful if swallowed. If ingested drink several glasses of water, and consult a physician immediately.

Size: 5 Gallon (18.92L)

Net Weight: 46.5lbs
