Bigger Yields through proper nutrition

Complete Fertility Feed

Trace Minerals ♦ Carbon ♦
Nitrogen ♦ Humic ♦ Growth
Hormones ♦ Surfactant

Grow-Tec is an all-in-one product that is considerably more affordable than purchasing various independent products in hope of meeting all the needs of the plant. By incorporating all the essential nutrients into one product you are able to drastically reduce your input costs.

Grow the Best Crops Ever

The best crop program is one that delivers all the essential nutrients to the plant for it to grow to its full potential. Unlike most foliar applied fertilizers, our product consists of a **complete** package that addresses almost every nutritional need of the plant. There is no need to supplement a little of this product and that product to try to meet all the needs of the plant.

Our product has been meticulously formulated to ensure the host of ingredients stays balanced and in-solution so your crop gets the very best nutrition possible! Now your crops can get the complete array of nutrients they need in one product!

Grow-Tec does it all:

- Bigger Buds**
- Shorter Growing Cycle**
- Higher Residue Content**
- More Flowers**
- Improve Plant Photosynthesis**
- Grow Vigorous Plants**
- Higher Brix Levels**
- Greater Fruitation**
- Increased Plant Maturity**
- Mold resistance**
- Bug resistance**
- Increased Drought tolerance**
- Improve Plant Vitality**
- Eliminate Chemical Fertilizers**
- Improve Overall Plant Immunity**
- Decrease or Eliminate the Need for Fungicides, Herbicides & Pesticides.**

Increased Profits

Lower Overall Cost of Production

The delivery system of Grow-Tec is truly what sets it apart from everything else on the market and is a key reason why our crops have explosive growth. Tests and testimonials conclude that Grow-Tec makes a huge impact on the yield and quality of crops. Growers comment that Grow-Tec grew the best crops ever!
